LETTER OF COMPLIANCE
For
LETTER OF DEFICIENCY
No. WD WWEB/C 06-006

Dear Mr. Lamson:

The Department of Environmental Services, Water Division, Wastewater Engineering Bureau (DES) reviewed the actions taken by the Town of Pittsfield in their May 19, 2006 response to Letter of Deficiency No. WD WWEB/C 06-006. DES determined that the issues addressed in the Letter of Deficiency have been resolved in a manner consistent with the Water Division regulations and NPDES permit requirements. The Town of Pittsfield should continue with the actions listed in the May 19, 2006 correspondence from the Town of Pittsfield. At this time, no further response from the Town is necessary. Therefore, DES hereby issues this Letter of Compliance.

Please be advised that DES will continue to monitor the Pittsfield Wastewater Treatment facility's compliance status, and that this letter does not provide relief against any existing or future violations.

If you have any questions regarding this matter, please contact Stephanie Larson at (603) 271-1493. Thank you for your cooperation.

Sincerely,
